## In His Light We See Light

For with thee is the fountain of life: in thy light shall we see light. (Psalms 36:9 KJV)

Darkness is dangerous, in it you can trip and injure yourself. Jesus declared “I am the light of the world.” This means without Him, you are walking in darkness and in the hand of the enemy. You can trip any time and injure yourself or lose your life. With God is the fountain of life.

It is important to seek and pursue Him. Walk in the light and you will see His grace at work in you. The enemy loves darkness, it is his time to plant bad seeds. He cannot do it in the light because Christ defeated him. In the cover of darkness he moves around.

Genesis 1 tells us that, “In the beginning...and darkness covered the earth.” The enemy was in total control. He was unhappy with the creation of the garden of Eden and God putting Adam and Eve there. It was something he had to fight against hence the deception and bringing the new creation being into darkness.

Today I urge you to open your eyes and ask the Lord to move you into His light. This is where we find light. People spend years seeking peace, it is in the light of God. When you find His light, there is the fountain of life. You need to seek Him with your whole heart. When you do so, you will find Him.

I pray for you that you move from darkness into His light. May the fountain of life flow in and through you touching others.

Declare this

Lord I thank you for unveiling the fountain of life to me. In your light I find light! I receive this light in Jesus' name.
